## TUBERCULOSIS.

See p. 1716; also Telegraphic weekly reports from States, p. 1705.

## TYPHOID FEVER.

The column headed "Median for previous years" gives the median number of cases reported during the corresponding weeks of the years 1915 to 1920, inclusive. In instances in which data for the full six years are incomplete, the median is that for the number of years for which information is available.
